My name is Adalberto Alvarez. I have been a friend of Carlitos for several years. Approximately 5 years ago I offered for him to live with me here in the basement because I learned that he had nowhere to live. Honorable judge, Carlitos is a generous and helpful person. He was always working, sweeping, picking up the trash, cleaning. Children adored him. Every time a kid would come he would give him 5 or 10 dollars to go buy something. He is a man with a very big heart, he loved helping everybody. No one can complain about him here because he had a wonderful heart.

He was very fond of my mother and would always talk with her. A woman who lives in one of these buildings was very poor and needed a bed. Carlitos found out about this and without telling anyone he went and bought a bed for the woman. He was that generous.

He gave me a bicycle, a cell phone, he would send money to my mother because he was very fond of my mother.

Carlitos is a beautiful person.

I pray to God for Carlitos to get out soon and once he does, I will take care of him. I will make sure that he takes vitamins so he recovers his mind, I'm going to make sure that he eats well and sleeps well. I will take him to church and

we're going to buy a small car for ourselves to go visit churches and help others. Please have mercy of Carlitos because he is a very kind person.
